

Traffic Advisory: Hwy 43 Righthand Southbound Lane Closed in Lake Oswego Through Thanksgiving

The City of Lake Oswego's North Shore Gateway Project has begun. This project will improve the pedestrian crossing of North Shore Road at State Street/Highway 43 and includes Americans with Disabilities Act (ADA) compliant sidewalk ramps, new landscaping on the northwest and southwest corners, updated pedestrian signals, a neighborhood sign, and a bench.

Pedestrians walking south are asked to cross State Street at Foothills Road and northbound pedestrians at Middlecrest. All businesses on Highway 43 including Sundeleaf Plaza will be open during construction. The right hand southbound lane will be closed between the hours of 9am and 3pm, Monday through Friday. Drivers should expect ten minute delays. The scheduled date of completion is November 28th, 2011.
